

Gürok Group Hosts Kütahya Protocol and Business Leaders at Iftar Dinner

Founded in Kütahya and having established globally recognized brands that compete on an international scale, Gürok Group brought together government officials, local administrators, and prominent business figures at an iftar dinner held in Kütahya.

As one of Turkey's largest privately held conglomerates, known for its innovative and sustainable production, global brands, and exports to 140 countries, Gürok Group hosted the iftar at Gülümser Hatun Thermal Hotel in Kütahya. The event was attended by members of the state protocol, local authorities, parliamentarians, and representatives from the business community. Hosting the evening were Rıza Güral, Chair of the Board of Gürok Group; Erol Güral, Vice President of the Board; and Esin Güral Argat, Vice President of the Board and President of the Kütahya Chamber of Commerce and Industry (KUTSO).

Among the distinguished guests were Kütahya Governor Musa Işın; Members of Parliament Adil Biçer, İsmail Çağlar Bayırcı, Mehmet Demir, Ahmet Erbaş, and Ali Fazıl Kasap; representatives from the Air Training Brigade Command; Mayor of Kütahya Eyüp Kahveci; Chief Public Prosecutor Mehmet Uzun; Rector of Kütahya Dumlupınar University Prof. Dr. Süleyman Kızıltoprak; Rector of Kütahya University of Health Sciences Prof. Dr. Ahmet Tekin; regional heads of various government institutions; KUTSO board members; Gürok Group executives; and leading figures from the business world.

The iftar meal, opened with the call to prayer and accompanied by prayers in the spiritual atmosphere of Ramadan, provided an opportunity for engaging discussions on current issues related to Kütahya.

About Gürok Group

As Gürok Group, since our journey began in 1948 in Kütahya, we have undertaken projects that add value to Turkey in the industries of manufacturing, tourism, construction, and fast-moving consumer goods. With our innovative approach and distinctive business model, we have become one of Turkey's largest private sector groups. Today, with LAV, the world's 5th largest glassware manufacturer; GCA, the name of trust, innovation, and quality in glass packaging; Ali Bey Hotels & Resorts, for about 35 years of experience in the tourism sector; JOALI Maldives and JOALI BEING, ultra-luxury resorts operating on two separate islands in the Maldives; BIJAL, the Mediterranean's first villa hotel; Gürok Kiremit, known for its patented coating technology; AVOYA, sparkling mineral water with the highest magnesium level in Turkey; and Lapis Yapı, which brings these projects to life—we provide employment to 5,000 people across 3 continents and export our products to 140 countries. Through our innovative and pioneering products and services in every sector we operate, we proudly represent our country on the international stage.
